We leave these halls far behind us
And though we go far away
We'll always be true
To the spirit we knew
In our Hugo High School days.
Loyalty, Courage, and Wisdom
We've gained through all the years.
And by God's good grace
We will soon take our place
Treasuring memories through smiles and tears.

ADMINISTRATION

MR. ARMSTRONG
Superintendent

The youth of today are the hope of tomorrow. In the high school of today youth live and learn and grow, through the practice of good citizenship, to be the leaders of the future. Study diligently and prepare yourselves for the opportunities that will come to you in the future.

Ira R. Armstrong

MR. PARKER

We must all pledge our utmost to further the cause of fellowship in a direction beneficial to the whole community. We are all committed to move forward in a progressive manner, conquering new goals for the betterment, not only of Hugo High School, but of mankind. Dag Hammarskjold once wrote: "Only he who keeps his eyes fixed on the far horizon will find the right road". By applying ourselves in our daily tasks these goals will become a reality.

"All good things must come to an end," and surely they must. For the Seniors it is a sad time of ending, but also a happy time for beginning a new phase of our lives. We look back on our years at Hugo High with warm memories, but we must also look forward to our future with hope and courage. Hugo High has helped shape each of our lives and we are grateful to it for this. May we always be able to live up to the standards we found in Hugo High School.
